WE RAISED:

£

!

Every penny you've raised will go towards providing specialist support to the survivors we support through casework, counselling, and community activities.

We believe in a future free from modern slavery

Since 2012, the Snowdrop Project has supported over 800 survivors of modern slavery and exploitation to recover from their pasts and rebuild their futures.

What is modern slavery?

Modern slavery is when an individual is **exploited by others, for personal or commercial gain**. Modern slavery can include human trafficking, forced labour and sexual exploitation.

It's often hidden in plain sight, and it's estimated that more than **130,000 people are trapped in modern slavery** in the UK today.

What does Snowdrop do?

We provide holistic, long-term, community-based support to survivors so that they can reach a place of independence. Our approach covers all key support needs, including independent living, physical and mental wellbeing, community engagement, education and employment.
