

Peer Supervision Facilitator

We are looking for a self-employed clinical supervisor to plan and facilitate monthly peer supervision sessions for our casework and advocacy team.

The Snowdrop Project is a Sheffield-based charity that supports and empowers survivors of modern slavery and exploitation to recover from their past and rebuild their future.

We are seeking a creative and experienced BACP accredited supervisor with experience of group or peer facilitation for professionals working with survivors of trauma and complex trauma.

Requirements:

- BACP or equivalent membership and accreditation
- Experience working with professionals at risk of experiencing vicarious trauma
- Skilled at group and peer supervision and facilitation

Deliverables:

- 1 hour in person facilitation of peer supervision each month for a group of up to 10 advocates/caseworkers
- 1 hour planning time

To apply:

- please submit a CV and covering letter including your hourly rate to recruitment@snowdropproject.co.uk by 5pm on Friday 28th August
